

Second PKU-NUS Annual International Conference on Quantitative Finance and Economics

20 – 21 May 2017
NUS Suzhou Research Institute
Suzhou, China

The Peking University HSBC Business School and Risk Management Institute (RMI) at National University of Singapore (NUS) invites submissions for Second PKU-NUS Annual International Conference on Quantitative Finance and Economics in Suzhou, China on 20 and 21 May 2017.

This international conference will provide a platform for policy makers, regulators, industry executives, and researchers from academia and industry to enhance their risk management techniques, explore the latest investment strategies and manage the fundamental regulatory changes in the financial sector.

Programme (20 - 21 May)

The scientific programme will follow the format of an academic conference. It will consist of submitted papers on the theme of quantitative finance and economics, to be reviewed and selected by an international panel of experts. Submitted papers must represent original and unpublished research. Concurrent sessions will be devoted to the dissemination of scientific findings. Suggested topics of interest include, but are not limited to:

- Actuarial Science
- Algorithmic trading
- Computational finance
- Financial modelling
- Liquidity and credit risk
- Portfolio selection
- Microeconomics
- Macroeconomics
- Monetary economics

The scientific program will also feature two invited plenary talks by renowned researchers.

Paper submission

Submissions may be made via the conference [website](#). If you have any queries, please email us at pkunusconf@nus.edu.sg. The submission deadline is **5 March 2017**. The authors will be notified of the review committee's decision by 15 March 2017.
